

Our Friends stand for clean water, environmental protection, and a pristine coastline that supports recreational activities. So many of our Friends are drawn to Southwest Florida because of the beautiful and amazing environment, and they want to see it protected for generations to come.

It's good to have Friends, and we hope you will become one of ours. They say "Strangers are just Friends waiting to happen." We look forward to having you as our Friend!

About Our Mission & Impact

Connecting people with southwest Florida's dynamic coastal environment in support of Rookery Bay National Estuarine Research Reserve.

The Friends provide vital monetary and in-kind support for Reserve programs and operations. Our members, volunteers and donors enable us to be a reliable partner to the Reserve and an advocate for education, preservation, and coastal protection.
